

The Dual Immersion Program at Jurupa continues to grow!

Do you have an incoming Kindergartener for the school year 2012-2013?

Would you like your child to be bilingual?

Have you heard about our Dual Immersion Program?

The Dual Immersion program is designed to develop bilingualism and biliteracy in English and Spanish for students who are English speakers and students who are learning English. It is a rigorous program in which students not only will work on academic standards, but in addition they will become fluent in two languages; linguistically and academically. Instruction is provided by highly qualified, trained and specialized teachers.

Who can participate?

The district's plan is to open two new Kindergarten classes each year at Sunnyslope Elementary and Stone Avenue Elementary schools. Classes will be filled on a first come first served basis; once classes are filled we will create a waiting list. Parents must attend a **MANDATORY** informational meeting in order for their child to be officially considered for the program.

Join us for an informational parent meeting

Remember, this is for incoming Kinder students ONLY
